PLEA AGREEMENT

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. The Parties. The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Todd P. Graves, United States Attorney, and Kimberly R. Weber Dean, Special Assistant United States Attorney, and the defendant, Drew N. Turner ("the defendant"), represented by Teresa Grantham.

The defendant understands and agrees that this plea agreement is only between him and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. Defendant's Guilty Plea. The defendant agrees to and hereby does plead guilty to Count One of the indictment charging him with a violation of 21 U.S.C. § 846, 841(a)(1) and (b)(1)(B)(viii), that is, conspiracy to distribute in excess of 50 grams of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance; and

Count Nineteen of the indictment charging him with knowingly possessing, in and affecting commerce, a firearm, that is a Hi-Point .45 caliber pistol, while using and addicted to methamphetamine, a Schedule II controlled substance, in violation of Title 18, U.S.C. §§ 922(g)(3) and 924(a)(2). By entering into this plea agreement, the defendant admits that he knowingly committed these offenses, and is in fact guilty of these offenses.

3. Factual Basis for Guilty Plea. The parties agree that the facts constituting the offenses to which he is pleading guilty are as follows:

Beginning on an unknown date, but commencing at least as early as January 2002, and continuing to on or about August 1, 2005, in Greene County, in the Western District of Missouri, and elsewhere, DREW N. TURNER, MICHAEL D. CAUDLE, DUSTIN L. GARGES, MARSHA R. ERICKSON, BRANDI SUE CLARK (A/K/A, BRANDI GERMAN), and JEREMIE S. PALAN, defendants, did knowingly and intentionally conspire and agree with each other and with other persons known and unknown to the Grand Jury, to distribute in excess of 50 grams of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance. The amount of relevant conduct attributable to this defendant is more than 350 grams of methamphetamine.

On four occasions, defendant sold methamphetamine to an undercover officer during the course of the conspiracy. At one transaction defendant sold a pistol to an undercover officer in exchange for marijuana. After arrest, defendant further admitted to possessing the aforementioned Hi-Point .45 caliber pistol while addicted to methamphetamine.

4. Use of Factual Admissions. The defendant acknowledges, understands and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining his guilt and advisory sentencing range under the United States Sentencing Guidelines (“U.S.S.G.”), including the calculation of the defendant’s offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands and agrees that the conduct charged in any dismissed counts of the indictment as well as all other

uncharged related criminal activity may be considered as “relevant conduct” pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charges to which he is pleading guilty.

5. Statutory Penalties. The defendant understands that upon his plea of guilty to Count One of the indictment charging him with conspiracy to distribute in excess of 50 grams of a mixture or substance containing a detectable amount of methamphetamine, the minimum penalty the Court may impose is five years imprisonment, while maximum penalty the Court may impose is not more than 40 years of imprisonment, a \$2 million fine, not less than 4 years of supervised release, and a \$100 mandatory special assessment which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class B felony. The defendant understands that upon his plea of guilty to Count Nineteen of the indictment charging him with knowingly possessing, in and affecting commerce, a firearm, that is a Hi-Point .45 caliber pistol, while using and addicted to methamphetamine, a Schedule II controlled substance, the maximum penalty the Court may impose is not more than ten years of imprisonment, a \$250,000 fine, not more than 3 years of supervised release, and a \$100 mandatory special assessment which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class C felony.

6. Sentencing Procedures. The defendant acknowledges, understands and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the Court may impose a sentence either less than or greater than the defendant’s applicable Guidelines range, unless the sentence imposed is “unreasonable”;

b. the Court will determine the defendant's applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court may impose a term of supervised release of at least 4 years;”

d. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range;

e. any sentence of imprisonment imposed by the Court will not allow for parole;

f. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

g. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

7. Government's Agreements. Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against defendant for any federal criminal offenses related to conspiracy to distribute in excess of 50 grams of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance and knowingly possessing, in and affecting commerce, a firearm, that is a Hi-Point .45 caliber pistol, while using and addicted to methamphetamine, a Schedule II controlled substance, for which it has venue and which arose out of the defendant's conduct described above. Additionally, the United States Attorney for the Western District of Missouri agrees to dismiss Counts Fifteen, Sixteen, Seventeen, and Eighteen of the indictment at sentencing.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence

against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes that the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives his right to challenge the initiation of the dismissed or additional charges against him if he breaches this agreement. The defendant expressly waives his right to assert a statute of limitations defense if the dismissed or additional charges are initiated against him following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against him following his breach of this plea agreement, he will not be allowed to withdraw his guilty plea.

8. Preparation of Presentence Report. The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of his criminal activities. The defendant understands these disclosures are not limited to the counts to which he has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of

this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. Withdrawal of Plea. The defendant understands that if the Court accepts his plea of guilty and this plea agreement but imposes a sentence that is outside the defendant's applicable Sentencing Guidelines range, or imposes a sentence that the defendant does not expect, like or agree with, he will not be permitted to withdraw his plea of guilty.

10. Agreed Guidelines Applications. With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

- a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable";
- b. The applicable Guidelines section for the offense of conviction as to Count One is U.S.S.G. § 2D1.1, which provides for an unadjusted base offense level of 30 (at least 350 grams but less than 500 grams of methamphetamine);
- c. There is no victim-related adjustment, role in the offense adjustment, or obstruction of justice adjustment within the meaning of the Guidelines, Chapter 3, Parts A, B, and C;
- d. The United States agrees to recommend that defendant be sentenced at the low end of his applicable Guideline range;
- e. The defendant has admitted his guilt and clearly accepted responsibility for his actions, and has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, he is entitled to a three-level reduction pursuant to § 3E1.1(b) of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect;

f. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine his applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

g. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw his plea of guilty;

h. The United States agrees not to seek an upward departure from the Guidelines or a sentence outside the Guidelines range, and defendant agrees to not seek a downward departure from the Guidelines or a sentence outside the Guidelines range. The agreement by the parties to not seek a departure from the Guidelines is not binding upon the Court or the United States Probation Office and the Court may impose any sentence authorized by law, including any sentence outside the applicable Guidelines range that is not "unreasonable";

i. The defendant consents to judicial fact-finding by a preponderance of the evidence of any contested issues pertaining to the determination of the defendant's sentence under the United States Sentencing Guidelines. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed, and waives any right to have those facts alleged in the indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of sentence under the Guidelines, may consider any reliable information, including hearsay; and

j. The defendant understands and agrees that the factual admissions contained in paragraphs 3 of this plea agreement, and any admissions that he will make during his plea colloquy, support the imposition of the agreed Guidelines calculations contained in this agreement.

11. Effect of Non-Agreement on Guidelines Applications. The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10, and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. Change in Guidelines Prior to Sentencing. The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. Government's Reservation of Rights. The defendant understands that the United States expressly reserves the right in this case to:

- a. oppose or take issue with any position advanced by defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;
- b. comment on the evidence supporting the charges in the indictment;
- c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed; and
- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. Waiver of Constitutional Rights. The defendant, by pleading guilty, acknowledges that he has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until his guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against him;

- e. the right to compel or subpoena witnesses to appear on his behalf; and
- f. the right to remain silent at trial, in which case his silence may not be used against him.

The defendant understands that by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that if he pleads guilty, the Court may ask him questions about the offense or offenses to which he pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making a false statement. The defendant also understands he has pleaded guilty to a felony offense and, as a result, will lose his right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

15. Waiver of Appellate and Post-Conviction Rights.

The defendant expressly waives his right to appeal his sentence, directly or collaterally, on any ground except a sentence imposed in excess of the statutory maximum or an illegal sentence, that is, sentencing error more serious than a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government's appeal, cross-appeal his sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

16. Waiver of FOIA Request. The defendant waives all of his rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including,

without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

17. Waiver of Claim for Attorney's Fees. The defendant waives all of his claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

18. Defendant's Agreement to Destruction of Biological Evidence. In accordance with 18 U.S.C. § 3600A(c)(2), the defendant knowingly and voluntarily waives his right to request DNA testing of any biological evidence which may have been obtained or seized by law enforcement in his case. Defendant agrees that all biological evidence which may have been obtained or seized may be destroyed by law enforcement authorities.

19. Defendant's Breach of Plea Agreement. If the defendant commits any crimes, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw his plea of guilty.

The defendant also understands and agrees that in the event he violates this plea agreement, all statements made by him to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by him before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against him in any and all criminal proceedings. The defendant waives any rights that he might assert under the United States

Constitution, any statute, Federal Rules of Criminal Procedure, Section 11(f), Federal Rules of Evidence, Section 410, or any other federal rule that pertains to the admissibility of any statements made by him subsequent to this plea agreement.

20. Defendant's Representations. The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised hi, of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorneys or any other party to induce him to enter his plea of guilty.

21. No Undisclosed Terms. The United States and defendant acknowledge and agree that the above-stated terms and conditions constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

22. Standard of Interpretation. The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any

drafting errors or ambiguities are not to be automatically construed against either party, whether or not that party was involved in drafting or modifying this agreement.
